

International Wildlife Coexistence Conference

October 17 – 20, 2022
The Greater Yellowstone Region

PROGRAM AGENDA

DATE	TIMES	LOCATION	ACTIVITY
Monday October 17th	1:00 PM – 5:00 PM		Coexistence Tools Workshop (Field practitioners only) Contact Suzanne@WildlifeCoexistence.org for details.
Monday October 17th	3:00 PM – 10 PM	Chico Front Desk	Guest hotel and conference check in; collect conference package
Monday October 17th	7:00 PM – 9:00 PM	Saloon	Conference Meet and Greet Opportunity to network with conference attendees

Day 1: Conference Talks and Symposia

Tuesday October 18th	8:00 AM – 8:20 AM	Convention Center	Coffee Service
	8:20 AM – 10:00 AM	Convention Center	<p>Session 1: A Vision for Human-Wildlife Coexistence</p> <p>Cultural Acknowledgement of Place: James Holt, Buffalo Field Campaign</p> <p>Welcome and Introductions: Suzanne Asha Stone, IWCN Executive Director</p> <p>Lessons from Evolutionary History Coexisting with Predators: Dr. Joanna Lambert, University of CO, Boulder, Colorado, USA</p> <p>Rewilding Intact Large Mammal Assemblages & Implications for Global Coexistence Priorities: Dr. Carly Vynne, RESOLVE, Seattle, WA, USA</p> <p>Pathways to Coexistence with Large Carnivores: Louise Boronyak, IWCN International Project Liaison, Sydney, Australia</p>
	10:00 AM – 10:20 AM	Convention Center	Morning Tea
	10:20 AM – 12:00 PM	Convention Center	<p>Session 2: The Case for Coexistence</p> <p>How are Wolves Affected by Non-Lethal Management & Anthropogenic Land Use in the Golan Heights: Schlomo Preiss-Bloom, Tel Aviv University & Compassionate Conservation Middle East</p> <p>Tolerance of Wolves Drives Risk-Mediated Trophic Cascades in a Middle Eastern Desert: Dr. Gavin Bonsen, University of Technology, Sydney</p>

PROGRAM AGENDA CONTINUED

DATE	TIMES	LOCATION	ACTIVITY
Tuesday October 18th	10:20 AM – 12:10 PM	Convention Center	<p>Seeking Alternative Methods to Manage Wild Boars: Professor Uri Shanas, University of Haifa, Israel</p> <p>Lion Guardians: Conserving lions and preserving cultures: Nadia de Souza, Lion Guardians, Amboseli National Park, Kenya, Africa</p> <p>A Second Chance for the Puma in the Argentinean Pampas? Assessing Conflict Determinants to Find Feasible Mitigation Interventions: Dr. Eduardo De Lucca, Universidad Maimonides, Argentina (virtual)</p>
	12:10 PM – 1:00 PM		Lunch
	1:00 PM – 3:25 PM	Convention Center	<p>Session 3: Is Human Perception Key to Coexistence?</p> <p>Collaborative Partnership and Human-Elephant Coexistence Approach to Conserving Wild Elephants in Vietnam: Mai Nguyen, Humane Society International, Vietnam</p> <p>Conservation Education using Elephant Cognition: Radhika N. Makecha, Eastern Kentucky Univ., USA</p> <p>Improving Perceptions of Rattlesnakes with Conservation Messaging Framing: Erin Allison, West Liberty University, W. Virginia, USA</p> <p>Reframing the Functional Contributions of Wild Pigs in Coexistence Narratives: Taylor McEvoy, University of Technology, Sydney, Australia</p> <p>Context Matters for Human-Baboon Coexistence and Conflict: Amanda L. Ellwanger, Georgia State University, USA</p> <p>Session 4: Youth Led Coexistence</p> <p>Engaging Youth with Creativity, The Call of the River Model: Helena Vallée Dallaire, Waterlution, Canada</p> <p>TREE Teens Restoring Earth's Environments: Dick Jordan & Timberline High School Students, Boise, Idaho, USA</p> <p>IWCN Youth Council: Priya Darshini, Musician, Activist, IWCN Board Member, Thomas Provins, IWCN Treasurer and Dick Jordan, IWCN Coexistence Council</p>
	3:25 PM – 3:45 PM		Afternoon Tea Break
	3:45 PM – 5:30 PM	Convention Center	<p>Session 5: Symposia—Where Psychology, Ecology and Ethics Meet on the Road to Coexistence</p> <p>Chair: Dr. Michael Nelson, Oregon State University</p>
	5:30 PM onwards		<p>Free Time</p> <p>Optional Activity: Test your Coexistence Trivia Chico Hot Springs Saloon</p>
	7:00 PM – 8:30 PM	Convention Center	Film Screening TBA

PROGRAM AGENDA CONTINUED

DATE	TIMES	LOCATION	ACTIVITY
Day 2: Conference Talks and Symposia			
Wednesday October 19th	8:00 AM – 8:20 AM	Convention Center	Coffee Service
	8:20 AM – 10:00 AM	Convention Center	<p>Session 6: Coexisting with Wildlife on a Changing Planet</p> <p>Toward Resilience Coexistence with Wildlife in a Changing World: Dr. Neil Carter, University of Michigan, USA</p> <p>Coyote Ethnographies: Lessons for Improved Coexistence Design: Dr. Shelley Alexander, University of Calgary, Alberta</p> <p>Coyote is Speaking, Are You Listening?: Lesley Sampson, Coyote Watch Canada</p> <p>Using Compassionate Conservation Methods in a Long-Term Study of Birds and What We Can Learn: Oded Keynan, Dead Sea & Arava Science Ctr, Israel</p> <p>Wild Neighbors: Understanding perceptions, attitudes, and behaviors toward urban wildlife in Costa Rica and El Salvador: Grettel Delgadillo Molina, Humane Society International – Latin America (virtual)</p> <p>Bridging Compassion and Justice in Conservation Ethics: Dr. Liv Baker Van de Graaff, PAN Works, City University of New York, USA (virtual)</p>
	10:10 AM – 10:25 AM		Morning Tea Break
	10:25 AM – 12:15 PM	Convention Center	<p>Session 7: Leadership in Coexistence</p> <p>Restoring Bison: James Holt, Buffalo Field Campaign, Montana, USA</p> <p>Apex Predators Coexistence in the Himalayas: Dr. Ganga Ram Regmi, Third Pole Conservancy, Nepal</p> <p>Transforming Fishing Cat and Fish-Farmers Conflict into Conservation: Ganesh Puri, Department of Forest, Fishing Cat Conservation Alliance, Nepal</p> <p>Snakes and US-India Perspective: Sumanth Bindumadhav, Humane Society International, India</p> <p>The Value of African Vultures: Coexistence is Key to their Survival: Stratton, Tanzania, Africa (virtual)</p>
	12:15 PM – 1:00 PM		Lunch
	1:00 PM – 3:00 PM	Convention Center	<p>Session 8: The Broad Effectiveness and Long-Term Resiliency of Coexistence Strategies</p> <p>Wood River Wolf Project: 15 Years and Counting: Suzanne Asha Stone, IWCN, Idaho, USA</p> <p>Coexisting and Rewilding with North America's Carnivores: Dr. Michelle Lute, Project Coyote, USA</p>

PROGRAM AGENDA CONTINUED

DATE	TIMES	LOCATION	ACTIVITY
Wednesday October 19th	1:00 PM – 3:00 PM	Convention Center	<p>Session 8: The Broad Effectiveness and Long-Term Resiliency of Coexistence Strategies</p> <p>An Innovative Approach Linking People and Conservation in Semi-arid Rangelands by <i>Shepherding Back Biodiversity</i>: Dr. Jeannine McManus, University of the Western Cape, & Landmark Foundation, South Africa</p> <p>Low-Stress Livestock Handling Protects Cattle in a Five-Predator Habitat: Naomi Louchouart, University of Wisconsin-Madison, USA</p> <p>Still a Good Dog! Long-Term Use of LGDs in Australia’s Extensive Grazing Systems: Dr. Linda Van Bommel, University of Tasmania</p> <p>Current Use and Effectiveness of Livestock Guarding Dogs in the Golan, Israel: Clotilde Gavagnach, The Steinhardt Museum of Natural History, Tel Aviv University, Israel</p> <p>Coexistence through the Centuries with Large Carnivores in the Ancient Forests of Transylvania, Europe: Krisztina Gayler, National Wolf Watcher Coalition, Hungary/USA</p> <p>Coexistence with Sharks in Australia: Lawrence Chlebeck, Humane Society International (virtual)</p>
	3:20 PM – 3:40 PM		Afternoon Tea Break
	3:40 PM – 5:10 PM	Convention Center	<p>Session 9: Symposia—How Important is the Role of Compassion in Fostering Wildlife Coexistence?</p> <p>Facilitators: Dr. Daniel Ramp, University of Technology, Sydney and Dr. Dror Ben Ami, Tel Aviv University, Israel</p>
			Free Time Optional Activity: Hot Springs Soak/Networking
	7:00 PM – 9:00 PM	Convention Center	<p>Banquet Dinner and Silent Auction</p> <p>Keynote Address: Malou Anderson-Ramirez, Anderson Ranch, Co-Founder Tom Miner Basin Association, Montana, USA.</p>

Day 3: Conference Talks, Symposia, Half Day Field Trips

Thursday October 20th	8:00 AM – 8:20 AM	Convention Center	Coffee Service
	8:20 AM – 9:50 AM	Convention Center	<p>Session 10: Research Frameworks for Coexistence</p> <p>Using One Health to holistically assess sustainable livestock production through wildlife-friendly farming: Dr Daniel Ramp, University of Technology Sydney, Australia</p>

PROGRAM AGENDA CONTINUED

DATE	TIMES	LOCATION	ACTIVITY
Thursday October 20th	8:00 AM – 8:20 AM	Convention Center	Coffee Service
	8:20 AM – 9:40 AM	Convention Center	<p>Session 10: Research Frameworks for Coexistence</p> <p>Using Wildlife Welfare to Measure Coexistence Success: Loic Q. Juillard, University of Technology, Sydney, Australia</p> <p>The Net Costs of Lethal and Nonlethal Mitigation of Sheep Depredation by Wolves in Idaho: Nathan Coleman, Michigan Technological University, USA</p> <p>Psychological Drivers of Limiting Take Among Hunters: Kristina M. Slagle, Ohio State Univ., USA</p>
	9:40 AM – 10:45 AM	Convention Center	<p>Session 11: Innovative Technologies for Coexistence</p> <p>Saving Elephants in Sri Lanka: Sanjiv Fernando, RESOLVE</p> <p>UX for an Effective ‘Economics of Coexistence’ Fintech Application: Josh Adler, IWCN Coexistence Council, Canada</p> <p>Wildlife Fertility Control Methods/ Global Shifts in Public Attitudes: Stephanie Boyles Griffin, Botstiber International Institute for Wildlife Fertility Control, HSUS, USA</p>
	10:45 AM – 12:00 PM Lunch served	Convention Center	<p>Interactive session next steps for global human-wildlife coexistence</p> <p>Thursday Afternoon Field Trips (limited availability)</p> <p>Living with Grizzly and Wolves: Tom Miner Basin Excursion (ranchlands tour) Expanding Bison Conservation: Ranch Field Trip Guided Horseback Rides Paradise Valley Guided Yellowstone/Gardiner Wolf and Grizzly</p> <p>Note that there is a separate registration process for field trips and only pre-paid participants can participate in field trips. For details, please send an email to: Louise@WildlifeCoexistence.org</p>
Day 3: Optional Field Trips/Departure
