

International Wildlife Coexistence Conference

October 17 – 21, 2022
The Greater Yellowstone Region

PROGRAM

DATE	TIMES	LOCATION	ACTIVITY
Monday October 17th	1:00 PM – 5:00 PM		Coexistence Tools Workshop (Field practitioners only) Email Suzanne@wildlifecoexistence.org for details
Monday October 17th	3:00 PM – 9:00 PM	Chico Front Desk	Guest hotel and conference check in and collect conference pack
Monday October 17th	7:00 PM – 9:00 PM	Saloon	Conference Meet and Greet Opportunity to network with conference attendees

Day 1: Conference Talks and Symposia

Tuesday October 18th	8:00 AM – 8:20 AM	Convention Center	Coffee Service
	8:20 AM – 10:00 AM	Convention Center	<p>Session 1: A Vision for Human-Wildlife Coexistence Chair: Suzanne Asha Stone, IWCN Executive Director</p> <p>Cultural Acknowledgement of Place: James Holt, Buffalo Field Campaign and IWCN Board of Directors</p> <p>Welcome and Introductions: Suzanne Asha Stone</p> <p>Lessons from Evolutionary History Coexisting with Predators: Dr. Joanna Lambert, University of Colorado, USA</p> <p>Rewilding Intact Large Mammal Assemblages & Implications for Global Coexistence Priorities: Dr. Carly Vynne, RESOLVE</p> <p>Pathways to Coexistence with Large Carnivores: Dr. Louise Boronyak, IWCN Australia Int'l Project Liaison, Australia</p>
	10:00 AM – 10:20 AM	Convention Center	Refreshment Break
	10:20 AM – 12:00 PM	Convention Center	<p>Session 2: The Case for Coexistence Chair: Dr. Bob Crabtree, The Yellowstone Institute</p> <p>How are Wolves Affected by Nonlethal Management & Anthropogenic Land Use in the Golan Heights: Shlomo Preiss-Bloom, Tel Aviv University & Compassionate Conservation Middle East, Israel</p> <p>Tolerance of Wolves Drives Risk-Mediated Trophic Cascades in a Middle Eastern Desert: Dr. Gavin Bensen, University of Technology, Sydney Australia</p>

PROGRAM CONTINUED

DATE	TIMES	LOCATION	ACTIVITY
Tuesday October 18th	10:20 AM – 12:00 PM	Convention Center	<p>Seeking Alternative Methods to Manage Wild Boars: Professor Uri Shanas, University of Haifa, Israel</p> <p>Lion Guardians: Conserving Lions and Preserving Cultures: Nadia de Souza, Lion Guardians, Amboseli National Park, Kenya, Africa*</p> <p>A Second Chance for the Puma in the Argentinean Pampas? Assessing Conflict Determinants to Find Feasible Mitigation Interventions: Dr. Eduardo De Lucca, Universidad Maimonides, Argentina*</p>
	12:00 PM – 1:00 PM		Lunch
	1:00 PM – 3:25 PM	Convention Center	<p>Session 3: Is Human Perception Key to Coexistence? Chair: Dr. Denise Taylor, Wylde Connections United Kingdom</p> <p>Collaborative Partnership and Human-Elephant Coexistence Approach to Conserving Wild Elephants in Vietnam: Mai Nguyen, Humane Society International Vietnam and Hoa Tran, Viet Nam Forestry Administration</p> <p>Conservation Education using Elephant Cognition: Radhika N. Makecha, Eastern Kentucky University, USA</p> <p>Improving Human Perceptions of Rattlesnakes with Empathetic and Utilitarian Messaging: Erin Allison, West Liberty University, West Virginia, USA</p> <p>Reframing the Functional Contributions of Wild Pigs in Coexistence Narratives: Taylor McEvoy, University of Technology, Sydney</p> <p>Context Matters for Human-Baboon Coexistence and Conflict: Amanda L. Ellwanger, Georgia State University, USA</p> <p>~~~~~</p> <p>Session 4: Youth Led Coexistence Chair: Dick Jordan, Founder of TREE/IWCN Council</p> <p>TREE Teens Restoring Earth’s Environments: Dick Jordan & Timberline High School Students, Boise, Idaho, USA</p> <p>IWCN Youth Council: Priya Darshini, Musician, Activist, IWCN Board Member, Thomas Provins, IWCN Treasurer and Dick Jordan, IWCN Coexistence Council</p>
3:25 PM – 3:45 PM			Refreshment Break
	3:45 PM – 5:00 PM	Convention Center	<p>Session 5: Symposia—Where Psychology, Ecology and Ethics Meet on the Road to Coexistence Chair: Dr. Michael Nelson, Oregon State University</p> <p>Thinking Through the Ethics of Coexistence: Dr. Michael Nelson, Oregon State University, Oregon, USA</p> <p>Recognizing and Adjudicating the Steep Trade-Offs that Sometimes Accompany Coexistence: Dr. John A. Vucetich, Michigan Technological University, USA</p> <p>Do People Support or Oppose Large Carnivores? The Case of Restoring Cougars to the Eastern U.S.: Dr. Jeremy T. Bruskotter, Ohio State University, USA</p> <p>Wildlife Governance Reform in the Anthropocene: Dr. Michelle Lute, Project Coyote, USA</p>

PROGRAM CONTINUED

DATE	TIMES	LOCATION	ACTIVITY
	5:00 PM – 5:15 PM	Convention Center	Wrap up of Day 1
	5:15 PM – 6:00PM	Convention Center	Poster presentations
	6:00 PM onwards	Saloon	Free Time Optional Activity: Test your Coexistence knowledge
	7:00 PM – 8:30 PM	Convention Center	Wildlife Film Screening

Day 2: Conference Talks and Symposia

Wednesday October 19th	8:00 AM – 8:20 AM	Convention Center	Coffee Service
	8:20 AM – 10:00 AM	Convention Center	<p>Session 6: Coexisting with Wildlife on a Changing Planet Chair: Dr. Christine Lamanna, IWCN Board of Directors</p> <p>Toward Resilience Coexistence with Wildlife in a Changing World: Dr. Neil Carter, University of Michigan, USA</p> <p>Coyote Ethnographies: Lessons for Improved Coexistence Design: Dr. Shelley Alexander, University of Calgary, Alberta</p> <p>Coyote is Speaking, Are You Listening?: Lesley Sampson, Founding Executive Director, Coyote Watch Canada & Dr. Shelley Alexander, University of Calgary,</p> <p>Using Compassionate Conservation Methods in a Long-Term Study of Birds and What We Can Learn: Oded Keynan, Dead Sea & Arava Science Center, Israel</p> <p>Wild Neighbors: Understanding perceptions, attitudes, and behaviors toward urban wildlife in Costa Rica and El Salvador: Grettel Delgadillo Molina, Humane Society International – Latin America, Argentina*</p>
	10:10 AM – 10:30 AM		Refreshment Break
	10:30 AM – 12:10 PM	Convention Center	<p>Session 7: Leadership in Coexistence Chair: Dr. Jeremy Bruskotter, Ohio State University</p> <p>Conserving Buffalo: James Holt, Buffalo Field Campaign, Montana, USA</p> <p>Apex Predators Coexistence in the Himalayas: Dr. Ganga Ram Regmi, Third Pole Conservancy, Nepal</p> <p>Wood River Wolf Project: 15 Years and Counting: Suzanne Asha Stone, IWCN, Idaho, USA</p> <p>Coexisting and Rewilding with North America's Carnivores: Dr. Michelle Lute, Project Coyote, USA</p> <p>Snakes and US-India Perspective: Sumanth Bindumadhav, Humane Society International, India*</p>
	12:10 PM – 1:00 PM		Lunch

PROGRAM CONTINUED

DATE	TIMES	LOCATION	ACTIVITY
Wednesday October 19th	1:00 PM – 3:00 PM	Convention Center	<p>Session 8: The Broad Effectiveness and Long-Term Resiliency of Coexistence Strategies Chair: Dr. John Vucetich, Michigan Technological University</p> <p>Low-Stress Livestock Handling Protects Cattle in a Five-Predator Habitat: Naomi Louchouart, University of Wisconsin-Madison, USA</p> <p>Still a Good Dog! Long-Term Use of LGDs in Australia's Extensive Grazing Systems: Dr. Linda Van Bommel, University of Tasmania</p> <p>Current Use and Effectiveness of Livestock Guarding Dogs in the Golan, Israel: Clotilde Gavagnach, The Steinhardt Museum of Natural History, Tel Aviv University, Israel</p> <p>Coexistence through the Centuries with Large Carnivores in the Ancient Forests of Transylvania, Europe: Krisztina Gayler, National Wolf Watcher Coalition, Hungary/USA</p> <p>Coexistence with Sharks in Australia: Lawrence Chlebeck, Humane Society International, Australia*</p>
	3:00 PM – 3:20 PM		Refreshment Break
	3:20 PM – 4:35 PM	Convention Center	<p>Session 9: Symposia- The Role of Compassion in Fostering Wildlife Coexistence</p> <p>Facilitators: Dr. Daniel Ramp, University of Technology, Sydney and Dr. Dror Ben Ami, Tel Aviv University, Israel</p>
	4:35 PM – 4:45pm	Convention Center	Wrap up of Day 2
	4:45 PM Onwards		Free Time Optional Activity: Hot Springs Soak/Networking
	7:00 PM – 9:00 PM	Convention Center	<p>Banquet Dinner and Silent Auction MC: Jessica Kole Maney, IWCN Development Director</p> <p>Keynote Address: Malou Anderson-Ramirez, Anderson Ranch, Co-Founder Tom Miner Basin Association, Montana, USA</p>
Day 3: Conference Talks, Symposia, Half Day Field Trips			
Thursday October 20th	8:00 AM – 8:20 AM	Convention Center	Coffee Service
	8:20 AM – 9:40 AM	Convention Center	<p>Session 10: Research Frameworks for Coexistence Chair: Dr. Louise Boronyak, IWCN Int. Projects Liaison</p> <p>Using Wildlife Welfare to measure Coexistence Success: Loic Q. Juillard, University of Technology, Sydney, Australia</p> <p>The Net Costs of Lethal and Nonlethal Mitigation of Sheep Depredation by Wolves in Idaho: Nathan Coleman, Michigan Technological University, USA</p>

PROGRAM CONTINUED

DATE	TIMES	LOCATION	ACTIVITY
Thursday October 20th	8:20 AM – 9:40 AM	Convention Center	<p>Session 10: Research Frameworks for Coexistence Chair: Dr. Louise Boronyak, IWCN</p> <p>Marine wildlife environmental monitoring technology and methods approach for coexistence for advancing the marine energy industry: Alicia Amerson, Washington, USA</p> <p>Psychological Drivers of Limiting Take Among Hunters: Kristina M. Slagle, Ohio State University, USA</p> <p>Bridging Compassion and Justice in Conservation Ethics: Dr. Liv Baker Van de Graaff, PAN Works, City University of New York, USA*</p>
	9:40 AM – 10:50 AM	Convention Center	<p>Session 11: Innovative Technologies for Coexistence Chair: Jessica Kole Maney, IWCN</p> <p>TrailGuard AI: An AI-based Camera Alert System to Prevent Human-Wildlife Conflict: Dr. Eric Dinerstein, RESOLVE and IWCN Coexistence Council*</p> <p>UX for an Effective 'Economics of Coexistence' Fintech Application: Josh Adler, IWCN Coexistence Council, and Strategic Advisor for RESOLVE Canada</p> <p>Wildlife Fertility Control Methods/ Global Shifts in Public Attitudes: Stephanie Boyles Griffin, Botstiber International Institute for Wildlife Fertility Control & Humane Society of the United States, USA</p> <p>Innovations in Livestock Husbandry as a Predator Deterrents: Cameron Krebs, Krebs Livestock*</p>
	10:50 AM – 12:00 PM	Convention Center	<p>Interactive Session: Next Steps for Global Human-Wildlife Coexistence & Conference Wrap Up Facilitator: Dr. Louise Boronyak, IWCN Closing remarks: Suzanne Asha Stone, IWCN</p>
